PROFILE

A specialist with five years of work experience in social structures.

General practice in international organisations in positions of communicative direction with the most vulnerable layers of society (people of retirement age and children).

I am physically fit and able to cope with the requirements of the position and attend work regularly. Willing to undertake relevant training. I am willing to contribute to a welcoming environment as a member of an integrated care team by performing home care duties and to comply with all standard procedures concerning the customer's health and welfare.

EXPERIENCE

- HELP AGE INTERNATIONAL (UK DEPARTMENT) - SOCIAL WORKER
- RED CROSS INTERNATIONAL (UKRAINIAN DEPARTMENT) - SOCIAL WORKER
- NORWAY, OSLO - FAMILY PRIVATE HOUSEKEEPER
- ITALY, BERGAMO - FAMILY PRIVATE HOUSEKEEPER

SKILLS

- Neat and tidy in appearance
- Sensitive to the needs of older people
- Experience in communicating with people living with Dementia
- Knowledge of industrial cleaning equipment and ability to use it
- Awareness of the need to maintain cleaning standards
- Ability to understand verbal and written instructions and to communicate verbally and in writing.

RECOMMENDATIONS

Recommendations can be provided as needed. There are recommendations from the official international organisations of the Red Cross and Help Age UK (in a foreign language, translated into English and provided upon request).

Official diplomas for all professional educations are also available in document form.
